

Towyn and Kinmel Bay Town Council

Our Community Coronavirus

We all face our personal Covid-19 and we will emerge stronger and better with a renewed sense of gratitude for life in our community. Can you offer a little help to a neighbour who needs it? Some may have to self-isolate and need help with errands, sorting a problem, a wave and smile. You know those neighbours near you who need a bit of help, they may not be on social media, they may not ask you, but we can ask them.

This virus challenges every community in the world; councillors are willing to be contacted to assist but can't handle every case, some are also in the vulnerable category so this is our time to show community care.

Morris Jones (Mayor)	m.jones@tkbtc.co.uk	07971 125690
