Hi Dylan

Thank-you for your enquiry. We will issue the award letters as soon as we can, we have sent the 'in principle' approval emails so projects can plan and prepare in readiness.

All activity and expenditure must be complete by 30th November 2024 so a movement of your start date shouldn't cause a problem.

Cofion / Kind regards

Good afternoon

That's great news!

Given that we are now almost half way through January, please can you kindly advise the proposed timings, as we will need to review/amend the Project Milestone dates.

Also whilst we were initially intending to complete the project by 31/01/2024, it's now very likely that the project will not commence until after 1/4/2024.

Kind Regards

Dylan Thomas
