Subject: RE: Defib training

Hi Kay

That's great.

If you are doing it as a resident and/or a Cartrefi Conwy representative, you can just arrange one for Chester House.

Let's see how the one at Chester House goes, and if a success which I'm sure it will be, we can add to the agenda of a meeting to take forward for KBCC/TKBTC.

I'll add this to the agenda for 24/1/2024 anyway, we can note/update members.

Kind Regards

Dylan Thomas

Subject: Defib training

Hiya,

The Rhyl Journal have run the defib story today (with permission from the family).

I have been contacted this evening by a gent from the ambulance service, they have a team including himself that come out and give training on community defib use. It includes everything, they bring all equipment, and it's free of charge!

I'd love to hold a session in the Chester ave house as I feel it's appropriate, but also thinking maybe one in the community centre if there's a lot of uptake? There's been a lot of positivity around the posts online and the family are keen for this - mum said she would like to attend and help at a training session.

Not sure if this would need to go on an agenda - let me know what you think xx
