Good afternoon Mandy

The below email was received earlier today from Emma @ CCBC CCTV regarding the proposed Network Rail Ty Gwyn/Pen Uchaf Bridge.

I will be adding this to the agenda of our June meeting (likely to be Weds 11/6/2025) , for the members to discuss/consider.

Clearly until the members have discussed, I won't know what their thoughts are, however perhaps we could look at both Town Councils going halves on the CCTV install costs (estimated at £2/3k - 50% £1/1.5k) plus ongoing annual CCBC CCTV costs (presently £544 per year – 50% £272 per year), subject to Network Rail covering the cost of the installation and ongoing costs of the required power supply?

What are your thoughts?

Kind Regards

Dylan Thomas
