Hi Dylan and Emma

Many thanks for your recent emails which was received by the Council last Thursday evening. It was resolved to approve the request to cover 50% of the cost for the camera and the annual support of the proviso that the lighting is installed as part of the project.

Would it be possible when agreed to confirm that the lighting will be installed and then I can raise a PO for the camera?

Kind regards

Mandy

Hello Mandy

Sharing below email trail as been made aware that this new proposed bridge will be to replace a crossing in Abergele TC (closure of 2 crossings, one in each TC)
Perhaps ATC could also consider a contribution for a camera in this area ?

Regards Emma
