Dear

As you may be aware Kinmel Bay has been chosen as an area of Conwy to be part of the Active North Wales place based initiative.

We have recently received confirmation of funding attributed to the Wales Women competing in the UEFA Women's Euros's this summer, to that end we are looking to organise a community activity session in Kinmel Bay.

The main purpose is to use the power of football/ impact of Women's Euro 2025 to tackle inequalities across North Wales. Activity is not limited to football, the event will be a multisport event. We would welcome your attendance at the event.

I want to use this project as an opportunity to invite your community group to the event in order to promote yourselves through the delivery of activity or to have a stand to raise awareness of what you do.

The event will take place at the Sports Field, Y Morfa Leisure Centre, Friday 11th July, 4-8pm.

If you would like to attend, please email ellis.jones@conwy.gov.uk stating if you would like to run an activity or if you would like to promote your organisation.

Please respond by Friday 20th June to be part of this event.

Regards
Caroline
