Hi Dylan,

I ask if the Tourism Levy could be placed on our agenda please. I have been considering this for some time and Bernice' public meeting added more evidence of the need to fund our community with its special visitor demands.

My proposal is for TKBTC to write to CCBC in support of the levy, as attached.

[Visitor Accommodation \(Register and Levy\) Etc. \(Wales\) Bill](https://www.gov.wales/VisitorLevy)

The Bill gives local authorities the choice to introduce a levy on overnight stays in visitor accommodation in their area. It also establishes a register of visitor accommodation providers operating in Wales.

Kind regards,

Barry
