Bore da Dylan, hope you are well.

With Y Foryd and Maes Owen schools now successfully amalgamated and having opened their doors as Ysgol Awel y Môr, it is a legal requirement to establish a new Governing Body for Ysgol Awel y Môr.

The new Governing Body will replace the two existing GBs and the TGB, and will operate as the Governing Body of Ysgol Awel y Môr from 02.11.26 onwards.

Therefore, in accordance with the law, the appointments for the new Governing Body will follow the standard appointment procedure for school governors, based on their category on the Body, and therefore, we kindly seek a nomination from Towyn & Kinnel Bay Town Council for the position of "Additional Community Governor Representative" for the Governing Body of Ysgol Awel y Môr.

We kindly ask the nominee to complete the attached form as the skills matrix feeds into the whole Governing Bodies' skills matrix. This will enable members to identify gaps in experiences moving forward.

Please return the form to governors@conwy.gov.uk **by no later than 9.00 am on Thursday, 01/10/2026.**

I would like to take this opportunity to sincerely thank Cllr Morris Jones for all his work and commitment to the Governing Body of Ysgol Maes Owen and to the Temporary Governing Body and to Cllr Lynda Griffiths for her work and commitment to the Governing Body of Ysgol Y Foryd.

Their input, drive and enthusiasm has been greatly appreciated by all.

Cofion cynnes / Kind regards

Lowri
