

Ffordd Y Berllan Grant

- Need to NOTE that:-

- 1/ The Grant Approval Letter dated 15/09/2025 issued by Conwy CBC incorrectly indicated that the grant figure was £3,964.

- 2/ The actual/correct figure is £3694.

- Therefore, the TKBTC match funding figure is **£923.50**, and not £783.50 which is the figure reported in the full Town Council meeting minutes dated 13/10/2025.

- The Ffordd y Berllan Grant Income Budget will need to be reduced from £3,964 to **£3,694**.

- Need to RESOLVE that :-

- 1/ That the correct TKBTC match funding figure is £923.50, and not £783.50, which is the figure which was incorrectly reported in the full Town Council meeting minutes dated 13/10/2025.

&

- 2/ The Ffordd y Berllan LED Lighting Grant Income Budget be reduced from £3,964 to £3,694.

Noted the grant approval letter received from UKSPF Conwy Community Regeneration Key Fund for the amount of £3,964 to install LED solar lights in Ffordd y Berllan playing field and along a section of unadopted road (Towyn Way East) connecting to the footpath.

Resolved that: -

- a) The quote of £2,992.50 plus VAT received from Wydels to supply 9 x LED Solar light heads and 9 x 4m columns be approved. Out of the two quotes received Wydels have previously supplied the Town Council with LED Solar lights and columns and provide excellent quality and service.
- b) The quote of £1,530 plus VAT received from Firdale for the installation of the lamp columns be approved. Although Firdale did not provide the cheapest quote, they have previously installed the Town Council's LED solar light columns with no issues.
- c) The matched funding of £783.50 be approved.**
- d) The grant acceptance letter will be signed on behalf of the Town Council by the Chair of the Full Council and Appointed Finance Councillor, and that their signatures will be witnessed by the Clerk.

Reason for the adjustment is that Conwy CBC paid the grant on the lowest quotes received. Members approved the quote of £1530 (Firdale) rather than the cheapest quote of £1400 (Dig It), also Conwy CBC quoted incorrect figures in their confirmation of grant letter. Therefore, the TKBTC match funding is £923.50 not £783.50.

The 2025-26 income budget for the Ffordd y Berllan will need to be reduced from £3964 to £3694.
