

PLANTERS - FULL REVIEW FEB 2026

SMALL PLANTERS

- ALL SMALL PLANTERS APART FROM THE TWO AT TOWYN WAY HAVE NOW BEEN RELOCATED TO THE SCHOOLS.
- 1/ THE TWO REMAINING PLANTERS ON TOWYN WAY ARE LOOKING A MESS/NOT STRAIGHT, SO WE ARE NOW LOOKING TO RELOCATE THESE TWO PLANTERS. - (NOW THE WOODEN BOLLARDS HAVE BEEN INSTALLED, THE PLANTERS ARE NO LONGER REQUIRED, TO PREVENT VEHICLES PARKING ON THE GRASS VERGE).
- PRESENTLY INVESTIGATING WHERE THE TWO SMALL 1M X 1M PLANTERS CAN BE RELOCATED TO. - **ONCE A SUITABLE LOCATION HAS BEEN IDENTIFIED, WE WILL NEED TO OBTAIN A QUOTE TO RELOCATE THE TWO REMAINING SMALL PLANTERS.**
- 2/ THE SMALL WOODEN PLANTER NEXT TO THE TOWYN NOTICE BOARD IS ROTTEN, AND NEEDS TO BE REMOVED BEFORE IT FALLS TO PIECES. - **WE WILL NEED A QUOTE TO REMOVE AND DISPOSE OF THIS PLANTER.**

LARGE PLANTERS

- 3/ LOOKING TO RELOCATE SOME OF THE LARGER PLANTERS TO OUTSIDE THE KBCC (BY BUS STOP) – THIS WILL MAKE IT EASIER TO WATER AND TO INTRODUCE SEASONAL PLANTING. **– IF APPROVED – WILL NEED TO OBTAIN A QUOTE TO RELOCATE THE FOLLOWING THREE PLANTERS:- 1/ OWAIN GLYNDWR ESTATE ENTRANCE, 2/ TOWYN WELCOME SIGN, & 3/ ROLAND AVENUE.**

GENERAL

- ALL PLANTERS WERE WEEDED IN NOVEMBER 2025, READY FOR WINTER.
- ANY PROPOSED MOVEMENTS WILL NEED TO BE DELAYED UNTIL THE BULBS ARE FINISHED (SAY MAY/JUNE), AS THE LARGER PLANTERS HAVE NO FLOORS, THE BULBS/PLANTS & SOIL WILL NEED TO BE REMOVED, PRIOR TO MOVING.
- ONCE ALL THE PLANTERS ARE IN PLACE – WE CAN REPLANT/REBARK AND REMOVE ANY UNSIGHTLY PLANTS/GRASSES.

CONTRACT

- WE HAVE REMOVED THE PLANTERS FROM THE EXISTING GROUND MAINTANCE CONTRACT, WITH A VIEW TO ISSUING A SEPARATE CONTRACT FOR THE PLANTERS - THAT WAY WE CAN UNDERTAKE MORE REGULAR REVIEWS, & LOOK TO INTRODUCE SEASONAL PLANTING & POSSIBLY WATERING, INTO THE CONTRACT.
- SUGGEST THAT WE AGREE THE PROPOSED PLANTER CONTRACT INITIALLY FOR 12M, AND IF THE WORK IS SATISFACTORY, WE EXTEND TO MARCH 2029, SO THAT THE GROUND MAINTANCE AND THE PLANTER CONTRACTS BOTH COME UP FOR REVIEW AT THE SAME TIME.
