Subject: RE: Kinnel Bay Street Tree Planting Project - postponed

Good morning Charlie

Thank you for your update, the contents of which I will share with the councillors at the next full council meeting which is on 2/9/2026.

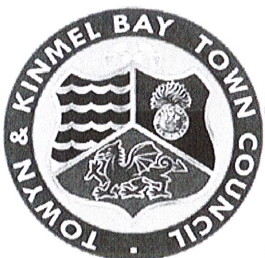

I know that the councillors will be extremely disappointed, as they have all been looking forward to see the trees planted, especially given that this proposed tree planting scheme has been ongoing for approx. two years.

It's a shame that the T & KB area have not been prioritised, given the distinct lack of trees and green in the county, as we discussed in our recent site meeting in Tir Prince Park.

Kind Regards

Dylan Thomas

Subject: Kinmel Bay Street Tree Planting Project - postponed

Good morning Dylan and TKBTC,

Following discussion and feedback from consultancy, unfortunately CCBC will not have capacity to deliver the Kinmel Bay Street Tree planting project within the timeframe we have for completion, the project needed to be completed before March 2027.

Therefore, we have proposed to include this in the next Local Places for Nature application which will hopefully be over four years to ensure the successful delivery of a thriving street tree project.

Apologies for any inconvenience this might cause. But with so many steps required before we start putting trees in the ground, 3 months is not realistic.

We are currently reviewing the list of street tree replacements and will feed back once discussed.

Best regards,

Charley Howes
