Hi Dylan,

Good news. I have had confirmation that the new playground will be fully funded through the Coastal Defence project.

Just for confirmation, as I can't seem to find the reference regarding age groups used to identify the two schemes.

Is the preference for:

Design 1 – Play area with slides

Design 2 – Play area just with adventure trail items

Both designs attached.

Thanks

Dave

Good Morning David

The members at last night's full council meeting discussed the proposed CCBC play design for the Kinmel Bay Beach Car Park.
