Hi Kath,

Sorry for the delay in coming back to you. Given that the match funding element of the SMART Towns project is coming from your agreed SPF funding application we thought it would be easier to set up an internal recharge to get the match amount for your project. However, if you need to claim the SPF grant amount in full as I understand there was more to you SPF application than just the SMART Towns match, we would be happy to invoice you instead? Let me know either way so that I can raise the correct paperwork in the finance system today for you.

Thanks,
Katie
