

Newsletter

Welcome to the Second Edition of the Towyn and Kinmel Bay Town Council Newsletter!

A Time of Thanks and New Beginnings

As we look ahead to another exciting year in Towyn and Kinmel Bay, we begin by expressing our sincere gratitude to Councillor Anna Macauley for her outstanding service as Mayor throughout 2024–25. Her dedication, compassion, and energy have made a real difference—whether fundraising for local charities or championing community events, Anna has been a true advocate for our towns.

We are delighted to welcome Councillor Deborah Mulvaney as Mayor for 2025–26. With her strong commitment to community and fresh enthusiasm, we look forward to a year filled with opportunity, celebration, and continued progress.

We also warmly welcome Councillor Anthony Bibby as the new Deputy Mayor of 2025–26. Tony's experience and enthusiasm will be a great asset in supporting Mayor Deborah and helping serve our community throughout the year.

Let's make 2025–26 a year to remember—together.

In this edition, you'll find news on local projects, events, and the work the Town Council is doing to make our area even better. As always, we encourage residents to stay engaged, get involved, and share their ideas—your voice matters.

Kinmel Bay Coastal Defence Works Update

Thanks to excellent progress near Golden Sands Caravan Park, Jones Bros have begun rock revetment works in front of Sunnyvale Caravan Park earlier than planned.

What's Happening:

- A **75-metre** section of rock revetment will be installed before summer.
- The full revetment will be **550 metres long** and completed later in the year to minimise disruption during the summer holidays.

Beach Access:

- **Beach access will remain open**, except in the active 75m work area.
- **Marshals will be on site** to help visitors and manage safety during plant movement.

Working Hours:

- Some work may take place as early as 5am or finish as late as 10pm, depending on low tides.
- No deliveries or noisy work (horns, beeps, etc.) before 7:30am or after 7:30pm.

Stay Informed:

Visit the Information Hut at St Asaph Avenue Car Park, open Monday–Friday, 8am–5pm, for a timetable of upcoming work.

Questions?

You can see projects details at www.conwy.gov.uk/coastaldefence

If you have concerns about working times, please contact the Environment, Roads & Facilities Advice Team on erf@conwy.gov.uk or call 01492 575337.

If you have questions about the site or the work, please contact Sam Roberts (Project Manager) at Jones Bros Ruthin (Civil Engineering) Co Ltd on kinmel.bay.project@jones-bros.com or call 07787 100758

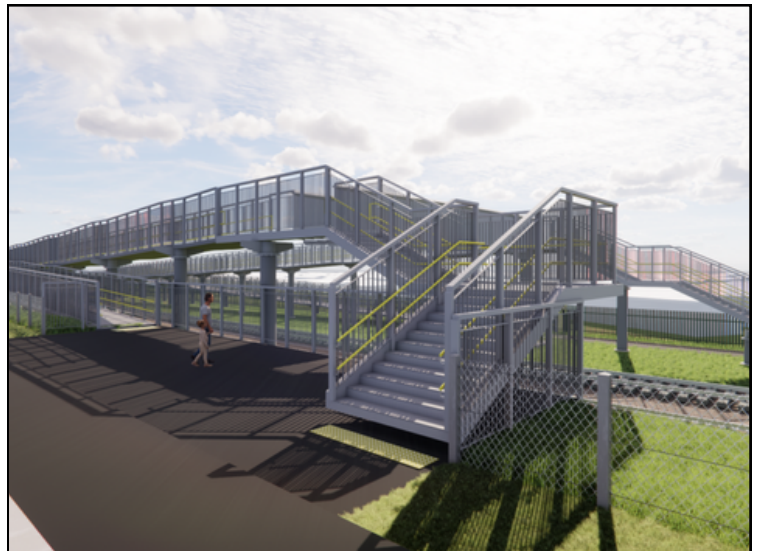

Network Rail are excited to share their plans to enhance safety at the Ty Gwyn and Pen Uchaf footpath crossings in Pensarn, near Abergele, by replacing them with a single ramped footbridge over the railway line.

Network Rail's proposal in the Pensarn area is to construct a single ramped footbridge to replace the two high-risk level crossings at Ty Gwyn and Pen Uchaf. The chosen location for the footbridge is specifically intended to minimise disruption to residents living in Pen y Cae and Clos Elwy.

Here are the key details of the proposal:

- **Objective:** Enhance pedestrian safety by removing at-grade crossings where trains travel up to 90 mph.
- **Design:** A fully accessible, ramped bridge suitable for all users—families, older people, dog walkers, and tourists.
- **Safety Concerns:** The current crossings have a history of misuse, near-misses, and fatalities, making them two of the most dangerous in Wales.
- **Impact Reduction:** Network Rail has carefully selected the bridge's position to limit the visual and physical impact on nearby homes.
- **Consultation:** Local residents were invited to public sessions in February 2025 to share feedback before finalising the design.
- **Next Steps:** Network Rail expects to finalise plans in spring 2025 and move to the design phase, with temporary safety measures during construction.

This initiative is part of a broader £800 million investment by the Welsh Government to increase rail capacity and services along the North Wales Coast, with plans to boost train frequency by 50% starting in 2026 .

Get in touch

If you have any additional questions or feedback you want to share about the project, please call Network Rail's dedicated 24-hour national helpline on:

03457 11 41 41

or email crwales@networkrail.co.uk.

Working in partnership with

Exciting times for local Kinmel Bay Business Continental Diamond Tool

Local business Continental Diamond Tool (CDT) has successfully secured funding from Conwy County Borough Council through the UK Shared Prosperity Fund, playing a key role in the company's recent growth and job creation in Kinmel Bay.

The £100,000 grant has enabled CDT to invest in new equipment, significantly increasing its production capacity to meet rising global demand. As a direct result, the company will be relocating to a larger production site on the Tir Llwyd Industrial Estate in Kinmel Bay later this year.

This growing demand has already led to the creation of two new full-time jobs, with recruitment underway for two more. CDT plans to double its workforce from 40 to 80 in the coming years—bringing skilled manufacturing jobs and long-term economic benefits to the local area.

Councillor Nigel Smith, Conwy County Borough Council's cabinet member for Sustainable Economy and Towyn and Kinmel Bay Town Councillor said: "Having a company of this calibre in Conwy, particularly in my own town of Kinmel Bay, is fantastic.

"I'm really pleased that the funding we've been able to source for the company from the Shared Prosperity Fund has enabled them to buy this new equipment and grow the company so spectacularly, with the opportunity for 40 further jobs.

"Among the recruits will be apprentices, so there will be opportunities for our young people to find high skill, well-paid jobs on their doorstep."

Amalgamation of Ysgol Y Foryd (Infant School) and Ysgol Maes Owen (Junior School)

Conwy County Borough Council has proposed the amalgamation of Ysgol y Foryd (Infant School) and Ysgol Maes Owen (Junior School) in Kinmel Bay, aiming to create a new English-medium primary school serving children aged 3 to 11.

The new school will have space for 466 pupils, plus 27 places in the nursery. The aim is to improve learning, make better use of resources, and provide a more joined-up experience for children as they grow.

At their meeting on the 18th February 2025, Conwy County Borough Council Cabinet approved in accordance with Section 41 and 43 of the School Standards and Organisation (Wales) Act 2013 and the School Organisation Code 2018 that the proposal to amalgamate Ysgol Y Foryd and Ysgol Maes Owen be moved forward to the Statutory Notice stage.

The proposal includes the formal closure of both existing schools on 31 August 2026, with the new school operating across the current sites under a unified leadership and governance structure.

Rationale for Amalgamation: The move aims to provide a seamless educational experience for children from ages 3 to 11, reducing transitional challenges and fostering a cohesive school community

Unified School Structure: The new school would operate under a single headteacher and board of governors, with consolidated policies, mission statement, values, logos, uniform, and procedures, while remaining on the existing sites

Financial Considerations: An initial proposal to build a new school building was deemed unaffordable due to rising construction costs and funding limitations. Consequently, the decision was made to proceed with the amalgamation on the current sites

To see the full Conwy Council proposal please click on the link below:

<https://www.conwy.gov.uk/en/Resident/Education-and-Families/Education-Consultations/documents/Consultation-Ysgol-y-Foryd-Ysgol-Maes-Owen/Statutory-Notice-Kinmel-Bay-Area.pdf>

Trefi/Smart Towns Cymru Wi-Fi Project throughout Towyn and Klnmel Bay

We are pleased to inform you that the free public Wi-Fi Conwy initiative supported by the Town Council is up and running.

This project, part of the Smart Towns Cymru programme, provides free public Wi-Fi on sections of Foryd Road and Towyn Road to help residents, businesses, and visitors stay connected.

As well as improving internet access, the system collects anonymous data on footfall and visitor patterns. This information helps local businesses and Conwy council make better decisions for the community.

LED Solar Street Light Project

The Town Council is pleased to confirm that twenty LED solar street lights have now been installed along the final active travel route in Tir Prince Park, completing the lighting of all pathways throughout the park.

This latest phase follows previous installations across other routes and marks the successful completion of the Council's plan to enhance safety and accessibility for everyone using the park.

The project was generously funded by the Gwynt y Môr Community Fund and will make the park safer and more inviting during darker hours. The lights are energy-efficient, environmentally friendly, and cost-effective—reflecting the Council's ongoing commitment to sustainability and community wellbeing.

Tir Prince Country Park

The Town Council has carried out environmental enhancements to the park's pond area, with the valuable support of Town Councillor David Johnson, who oversees the park's maintenance on behalf of the Council.

These efforts aim to enhance the ecological health and aesthetic appeal of the pond, contributing to the overall biodiversity and enjoyment of the park.

These initiatives are part of a broader commitment by Conwy County Borough Council to improve public spaces, promote sustainability, and ensure that parks like Tir Prince remain welcoming and accessible to all members of the community.

Project Updates

Owain Glyndwr Community Garden

Owain Glyndŵr Community Garden – Before & After!

We're thrilled to share some amazing before and after photos of the Owain Glyndŵr Community Garden, which is now complete! This beautiful space offers a calm and welcoming spot for everyone to enjoy—right in the heart of our community.

This transformation was made possible thanks to funding from the UK Shared Prosperity Fund, which supports local projects that improve and enhance public spaces for both residents and visitors.

A heartfelt thank you to everyone who helped turn this vision into reality.

Community Events

Towyn and Kinmel Bay Community Awards 2025

In February 2025, the community of Towyn and Kinmel Bay came together to honour the remarkable individuals, groups, and businesses who make a lasting impact in our area.

The Towyn and Kinmel Bay Town Council Community Awards celebrated those who have shown outstanding dedication, kindness, and community spirit over the past year. It was a pleasure to recognise the people who go above and beyond to support others, protect our environment, and bring pride to our town.

A heartfelt thank you to everyone who submitted nominations and to all who attended this memorable evening of recognition and celebration.

A huge congratulations to all of the ten winners:

Half-Term Community Youth Garden Event Blooms with Success

During February half term, a vibrant community youth garden event for local children was ran by volunteers and supported/funded by the Town Council, Y Morfa Leisure Center, North Wales Garden Centre, ASDA and Crimebeat – and it was a fantastic success! The day was filled with creativity, teamwork, and plenty of laughter.

The fun began at Morfa Leisure Centre, where children enjoyed rock painting and making bird fat balls, followed by some lively free-play in the sports hall. From there, they made their way to the Owain Glyndwr Community Garden for a mini competition to design the best flower bed. The entries were so impressive that judges couldn't pick a winner – so everyone was rewarded with hot chocolate, marshmallows, and homemade banana bread!

The group then returned to Y Morfa for another energetic hour of free-play, wrapping up a joyful day with flushed cheeks, huge smiles, and the sounds of excitement echoing throughout the hall.

Easter Fun at Y Morfa

Local children from Towyn and Kinmel Bay enjoyed another fun-packed afternoon funded by the Town Council, and PACT, organised by volunteers and held at the Y Morfa Leisure Centre, Kinmel Bay. This time it was all about Easter crafts, exciting prizes, tasty snacks, and goodie bags galore!

The event featured Easter crafts, prizes, snacks, and goodie bags – much to the delight of everyone who attended.

This fantastic event brought the children of the community together for another memorable day and although the weather rained on their egg hunt plans, the indoor egg relay race brought just as many laughs and flushed cheeks – with plenty of egg-citement echoing through the room!

There was even a visit from the neighborhood police Team, local PCSO popped by for a chat and children were invited to sit in the control car

What's happening in the local area

Chester Avenue Woodland Willow Coppicing

Join the Willow Coppices This Season!

Love the outdoors? Want to give back to your community? Come and join them for the upcoming willow coppicing season!

It's a great chance to:

Enjoy fresh air and nature

Learn new practical skills

Help care for our local green spaces

They kindly ask that anyone joining at the start of the season also supports the end-of-season tidy-up in late winter or early spring.

Each session also includes a quick litter pick—just a few minutes of your time helps keep the area safe, clean, and welcoming for all.

Your support truly makes a difference.

Thank you!

For new visitors, the willow maze is located at the end of Chester Ave, Kinmel Bay, LL18 5LA on the right hand side.

Playing Out Sessions

The Town Council is proud to fund the "Playing Out" sessions delivered by Conwy County Borough Council, providing children and families across Kinmel Bay and Towyn with safe, free, and engaging play opportunities close to home.

These sessions will take place in the following areas and are free to attend:

Tuesday 27th May 2025 - Owain Glyndwr,

Tuesday 29th July 2025 - Kendal Road,

Tuesday 5th August 2025 - Clwyd Park

Tuesday 12th August 2025 - Tir Prince

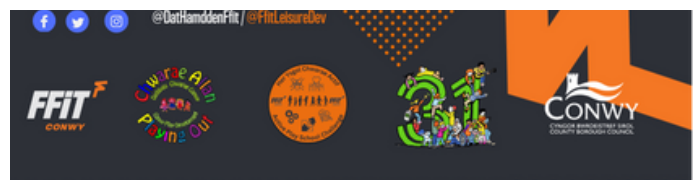

Tuesday 19th August - Chester Avenue,

Tuesday 26th August 2025 - Owain Glyndwr

Tuesday 28th October 2025 - Clwyd Park Park

Tuesday 17th February 2026 - Kendal Road

These well-attended events not only promote healthy outdoor activity but also strengthen community ties and provide much-needed support for local families during school holidays.

Ysgol Maes Owen

Ysgol Maes Owen – Garden Transformation Project Update

Ysgol Maes Owen has secured funding from 'Keep Wales Tidy' for its garden transformation project.

The initiative is progressing well, with enthusiastic involvement from both staff and pupils.

Cllr Morris regularly attends the school to support the children, helping them learn how to grow their own plants and understand the importance of sustainability and environmental care.

Botcha Sessions

Following the Oasis Luncheon Club at Festival Church, many local residents have been staying on to enjoy an afternoon of fun and laughter at the Botcha sessions.

The relaxed and welcoming atmosphere creates the perfect setting for some light-hearted competition and social connection. It's been wonderful to see so many people taking part—cheering each other on, sharing stories, and making new friends—all while enjoying this simple but entertaining game.

These sessions have quickly become a highlight of the week, bringing even more life and community spirit to the church hall.

Towyn and Kinmel Bay Community Place Plan

Place Plans are community-led documents that give local people a stronger voice in shaping the future of their area. They help identify what matters most to residents—such as housing, green spaces, transport, local facilities, and heritage—and turn these priorities into practical, place-based actions.

Once adopted, a Place Plan becomes part of the local planning framework, meaning it can influence decisions on planning applications, funding opportunities, and service delivery. For communities like Towyn and Kinmel Bay, a Place Plan ensures that development is guided by local knowledge and aspirations, helping to create a more vibrant, resilient, and well-supported area for everyone.

The Community Place Plan for Towyn and Kinmel Bay already forms part of Conwy County Borough Council's Supplementary Planning Guidance. To progress the projects within the Plan, a dedicated committee has been formally adopted as a standing committee of the Town Council.

This structure will ensure that the priorities identified by local residents are effectively integrated into future planning decisions and community development projects.

As part of this development, the Council is inviting expressions of interest from individuals within the voluntary sector, local businesses, and the wider community who would like to be co-opted onto the committee.

This is a fantastic opportunity for residents to contribute their knowledge, ideas, and experience to help shape the future of Towyn and Kinmel Bay.

If you are passionate about your community and want to help shape its future, please get in touch with the Town Council office for more information.

Can You Lend a Helping Hand?

Towyn and Kinmel Bay Town Council is looking to host Repair Café events, where volunteers help fix household items for free—reducing waste, sharing skills, and bringing the community together.

It's a wonderful way to give back, meet new people, and learn something new along the way!
We're looking for Volunteer Fixers to help make this initiative a success.

Do you enjoy fixing things? Whether you're a skilled hobbyist or just enjoy tinkering, we'd love to have you on board!

If you feel confident with any of the following, you'd be a perfect fit:

- 🔧 Small electrical repairs (toasters, kettles, hoovers—no white goods or microwaves)
- 🧵 Basic sewing repairs (patching holes, fixing seams—not alterations)
- 🚲 Bicycle MOTs & general repairs
- ✂️ Fixing garden tools, toys, and everyday items

You don't need professional experience—just a willingness to help and some handy skills!

Are you interested?

Please scan the QR code to complete a short register of interest form, or reach out to us at:

✉️ deputy@towynkinmelbay-tc.gov.uk

☎️ 01745 355899

Let's repair, reuse, and reconnect—together! ❤️

Community Support

The Town Council has been proud to support various initiatives aimed at benefiting our community. Here are some of the key projects we have been involved in:

Supporting Those in Need

The Town Council is proud to support the Kinmel Bay Church Food Bank, an essential initiative that plays a vital role in our community. By providing access to basic food and household supplies, the food bank offers crucial support to vulnerable individuals and families who may be facing financial hardship. This partnership reflects the Council's ongoing commitment to promoting wellbeing, dignity, and community resilience in Towyn and Kinmel Bay.

Who They Help

Individuals and families facing financial difficulties.
Those referred by local agencies, schools, or healthcare professionals.

What They Provide

Non-perishable food items such as canned goods, rice, pasta, cereals, and more
Toiletries and basic household essentials.

How to Access Support

Contact them via [phone](#) or [email](#) to discuss your needs.
Referrals from partner organisations are welcome.

The Food Bank is open 11am - 1pm
Tuesday & Friday
Contact details -
kbcelaine@gmail.com
07841678889

Community Defibrillators

Over the past few years, Towyn & Kinmel Bay Town Council has funded and installed a number of community defibrillators across the area. In addition, several defibrillators have been generously provided by local businesses, reflecting a shared commitment to community safety. The Council recognises the vital importance of having access to potentially lifesaving equipment, both for residents and visitors, in the event of a medical emergency. These defibrillators are strategically placed throughout Towyn and Kinmel Bay to ensure the best possible coverage and accessibility when every second counts.

for information on the locations of the defibrillators please visit the Town Councils website

<https://towynkinmelbay-tc.gov.uk/community-defibrillators/>

Did you know?

If you have an “Alexa” in the home she can be more use than you may realise in a crisis. Activate the CPR skill on your “Alexa by saying ‘Alexa activate emergency CPR’

In the event of someone in the home of where an “Alexa” is present having a sudden cardiac arrest and you are unsure what to do SHOUT “Alexa emergency CPR”. Alexa will assist you by telling you what to do including CPR instructions

Conwy Community Support Hub

The Conwy Support Hub is a vital resource for residents across the county, offering free, confidential advice and support on a wide range of issues. Whether individuals need help with housing, benefits, mental health, cost-of-living concerns, or simply don't know where to turn, the hub provides a friendly and approachable first point of contact. Staffed by knowledgeable advisors and partner organisations, the hub is committed to helping people find the right support quickly and efficiently. It's a valuable service ensuring that no one in the community has to face their challenges alone.

**Whatever your circumstances,
your local **COMMUNITY
SUPPORT HUB** is here and
ready to help.**

**Whether you're looking for information, advice
or practical support, we are your one stop
shop for access to:**

somebody in complete confidence.**

Learning and Creativity

The Town Council was very pleased to award Ysgol Maes Owen's Parent and Teacher Association a grant to help buy Easter crafts for a fun activity with parents and to purchase 3x iPads, a Reading Pen and access to a Mathseeds subscription for the school's resource base learners.

The Easter crafts session was a great way for children and parents to spend time together and be creative. The new resources are now helping pupils with their learning in a more interactive way. The Council was very pleased to receive lovely thank-you letters and photos from the children, showing how much the support was appreciated and we would like to share them with you.

Grant Funding Available from the Town Council

The Town Council is pleased to offer two types of grant funding for local organisations, charities, and community projects. If you have a project or initiative that would benefit the residents of Towyn and Kinmel Bay, we encourage you to apply.

Grant Funding Available for Towyn & Kinmel Bay Community Groups!

Are you a local group or organisation working to benefit Towyn & Kinmel Bay and/or its residents?

If so, you may be eligible for a grant from the Town Council. Our grant scheme supports local clubs and community organisations that can demonstrate a clear financial need and aim to positively impact our community by:

- Promoting Towyn & Kinmel Bay in a positive and lasting way
- Providing or enhancing services for local residents
- Addressing the needs of residents facing social or economic difficulties
- Improving quality of life, health, or wellbeing

Grant Types:

Large Grants (over £251): Applications considered twice yearly
 Deadlines: 30th June 2025 & 31st December 2025

Small Grants (up to £250): Applications considered as and when received

How to Apply:

For more information on eligibility and to download application forms, please visit our website at:

 www.towynkinmelbay-tc.gov.uk

Or contact the Town Council office at:

 01745 355899

We look forward to supporting exciting projects and initiatives that make our community stronger!
