Sorry Dylan, this has been sat with me.

The fees proposal is £6k and the anticipated works are likely to be in the region of £20k. therefore, total cost is likely to be in the region of £26k.

Kind regards,

Simon.

Good Afternoon Simon & Iain

With reference to Simon's reply dated 23/01/2023, to my email of 18/01/2023 (copies below), please could you kindly confirm when I should expect to receive the fees proposal to construct a 'simple' footpath as marked on the attached map - from design, through procurement and construction to completion.

It's now almost 6 months since my initial request, and we appear to be no further forward.

Kind Regards
