

Beach of Dreams

Fee of £175 includes:

Access to the monthly seminars, beginning in January 2024

A silk pennant to represent the Towyn and Kinmel Bay area, which Kinetika will create from the Town Councils submitted design, story, and climate pledge.

A detailed partner pack with marketing assets and copy for the Town Council to explain their involvement in the project (from Jan 2024)

A Beach of Dreams membership logo to be added to the website to link to the Beach of Dreams site (from Jan 2024)

A listing on the Beach of Dreams member page and a link to the Town Council website

Potential ideas for involvement

- Involve the local schools to create a design/image for the pennant
- Involve children and parents in walking the coastal path
- Creative and nature walks on easy coastal areas eg promenades and public beaches
- Coastal mobility and access group activities
- Coastal walks led by experienced walking groups
- Site specific creative writing workshops (or walk shops)
- Film screenings, music or outdoor performance
- Beachcombing and litter picks
- Mud walks and mud larking
- Visits to hidden coastal gems
- Environmental workshops
- Coastal arts and crafts activity
- Coastal storytelling circles
- Natural history, environmental, wellbeing, artist, talks and discussions
- Environmentally friendly foraging
- Natural dyeing activities
- Liaise with Chester University Marine and Coastal Resource Management department as a potential contact
- Dependant on the dates of sea defence work.
