

Santa for a Senior update

300 hampers have been ordered from Bramble Foods for delivery beginning of December- invoice has been paid on the 11/11/2024.

Donations have continued to be collected from the local community at Tanzin Hair and Hair @ Laineys Hairdressers in Kinmel Bay as it is felt that including the community in supporting the project is important as it builds community spirit and fosters a culture of generosity. Donations have been collected for the past three years and to stop the residents from being involved could have a negative impact on the local community. The donations collected will either be put into additional hampers if needed or distributed to the local nursing homes.

Lyons emergency message in a bottle have donated bottles to be distributed with the hampers. These bottles contain an effective way for people to keep their basic personal and medical details where they can be found in an emergency on a standard form and in a common location – the fridge.

Surplus monies from the Santa for a Senior budget will be used to purchase additional hampers if needed, a donation to the Lyons message in a bottle and chocolates/biscuits for local nursing homes.
