WOODLAND – CHESTER AVENUE	As at March 24, four three tees identified as needing attention, two debarked (dead) and two wind damaged, plus a number of trees which have been partly debarked which will need sorting/checking by our ground maintenance contractor. Contractor completed required work on 17/04/2024	May 24 – Trees inspected and all in good order, except for a few low hanging branches, which were hanging over/obstructing the path.	Aug 24 – Noticed that there are a few trees which have snapped branches at high level, and also that branches from some trees are growing through the fence into the Y Morfa Playing Fields – TKBTC contractors instructed to quote to make safe/trim/cut back to wooden fence.	
QUARRY LINE PATH	As at March 2024 – This falls under the responsibility of the adjoining land owners and Conwy, and therefore it's not down to the Town Council to undertake tree surveys on the path. Scottish Power contractors have undertaken a hard cut of the trees in the last week Feb 24, which resulted in a complaint from a resident.	As at May 2024 – This falls under the responsibility of the adjoining land owners and Conwy, and therefore it's not down to the Town Council to undertake tree surveys on the path.	As at Aug 24 – The trees are the responsibility of the adjoining land owners and Conwy, and therefore it's not down to the Town Council to undertake tree surveys on the path.	
OWAIN GLYNDWR ABANDONED PLAY AREA	As at March 2024 - Checked all trees are Ok - (DT).	May 24 - Some low level tree stumps will need to be removed, as part of the planned ground maintenance work in Q2.	As at Aug 24 – Garden looking well, the low level tree stumps have now been grinded.	
TOWYN WAY – LLYS Y BERLLAN	March 2024 – No issues identified to trees, however some of the hedge (section which backs onto the bungalows) was not cut in Feb 24 due to the playing field being too wet for the tractor to gain access. - (DT)	May 2024 – No issues identified to trees, all trees are in good order.	Aug 2024 – No issues identified, apart from the picket fencing has been damaged in sections, and now that the trees within the fencing have rooted/taken, need to discuss with CCBC, with a view to removing the picket fencing. (DT)	
TIR LLWYD – STRIP OF TREES	As at March 2024 - Under CCBC Ownership and Responsibility – (DT)	As at May 2024 - Under CCBC Ownership and Responsibility – (DT)	As at Aug 2024 - Under CCBC Ownership and Responsibility – (DT)
