

PROPOSED INSTALLATION OF SOLAR LED LIGHTS AT MORFA AVENUE (UNADOPTED SECTION)

- DO WE STILL WANT TO EXPLORE/PERSUE THIS?
- WE WILL NEED TO CONFIRM OWNERSHIP OF THE STRECH OF ROAD, AND OBTAIN WRITTEN CONSENTS, FROM ALL APPROPRIATE PARTIES (POTENTIALYT EACH HOUSE HOLDER WHO LIVE/HAVE A BUSINESS ON THE ROAD).
- WE WILL ALSO NEED TO UNDERTAKE A PUBLIC CONSUTLATION WITH ALL RESIDENTS WHO LIVE ON THAT ROAD, TO ENSURE THAT :- 1/ The residents are happy with the proposed scheme and 2/ That the residents are happy for a light to be installed outside their property.
- CONTRACTORS (SETS LTD OUR XMAS LIGHT CO) HAVE UNDERTAKEN A SITE VISIT/INSPECTION OF THE WHOLE STRETCH OF THE ROAD, AND HAVE INDICATED THAT THEY BELIEVE THAT THE PROPOSED SCHEME IS POSSIBLE, HOWEVER THE ROAD IS EXTREMELY NARROW IN PARTS.
- CONTRACTORS ESTIMATE THAT 19 LIGHTS WILL BE REQUIRED AT AN ESTIMATED COST OF APPROX £12/15K (PREVIOUSLY AGREED IN PRINCIPLE BY CLLRS FOR 4/5 LIGHTS AT AN ESTIMATED COST OF £2200/£2750.)
